--ooOOoo--

Dogs in Need was originally created as a holiday with your dogs. Despite the massive increase in size, we still try to retain the holiday atmosphere, with the added buzz of competition and that 'feel-good' feeling that our enjoyment is helping many charities. Every year, many thousands are distributed because of YOUR generosity, so enjoy yourself – you deserve it! To get a really warm glow, read the thanks and testimonials on display in the information centre. With your help and support, Dogs in Need has shown these hard-working people that they ARE noticed and appreciated, and hopefully we've helped them to carry on when the going's got tough.

We extend huge thanks to all our sponsors who help us to raise funds by sponsoring individual classes - doggy businesses, local businesses, clubs and individuals, all help to raise funds for those important smaller charities. Fancy a class named after YOUR club next year? Or to record a special occasion? Have a chat with Rosemary and she'll be only too happy to help.

We need your help to run this show – 560 people just to keep the rings running smoothly. Please complete the Helpers Section online if you are willing to help. YOU DON'T HAVE TO CAMP, OR EVEN RUN A DOG, TO HELP - THE MORE THE MERRIER (AND EASIER!). It's a great way to meet new people and make new friends. The more helpers, the less for each one to do and the more we can all have a holiday. And please help the helpers - the boot may be on your foot the next day! Don't worry if you've never helped on a ring before – now is the perfect time to have a go.

Online Entries Only – Via www.agilityplaza.com

Entries close: Monday 17th June 2024

NB – No Refunds will be made after close of entries.

We advise that you have insurance to cover your entries.

**Unfortunately we must still mention the boring bits,
but if we do it here then we don't need to do it over the PA!**

This schedule provides all the information you need to make the most of your week's holiday with your dogs. It also includes all the rules and guidelines covering the week, which must be strictly adhered to so to make the most of a good time we suggest you read through it.

**Security: ID bracelets will be issued on arrival Which Must Be Worn All Week
Vehicle & Camping passes will be issued on arrival. These Must Be Displayed All Week**

These are for your safety and security. Replacement bands will be available from the Secretary.

If you've got DOGS or CHILDREN then this bit's for you – which means it's for everybody.

Rule 49: People or dogs acting in an unreasonable/irresponsible manner will be removed from the show and forfeit all fees paid. All under 18's must be accompanied by an adult who will be held responsible for their conduct for the duration of the show.

No more than 2 dogs per handler off lead in the showground exercise area. PLEASE CLEAR UP after your dogs and place in the bins provided **on the showground**. If you knowingly don't, we will tell you to leave - it's as simple as that. So BAG IT & BIN IT!! The Woods & Common are CLEAR UP areas please **BAG IT & BIN IT** in the bins provided **on the showground**.

Please don't bring training equipment with you because we will not let you use it and you'll have carted all that weight around with you for nothing. Much better to use the space for another couple of bottles.

If you have children with you then they are your responsibility, and are assumed to be under your supervision at all times. Yes – even if they're 6ft tall and tower over you! This means you always know where they are and what they are doing. And if what they are doing is anti-social then we may ask you to leave. We may sympathise, but we don't condone. Parents, please advise your children on safety measures on site, with particular emphasis on road safety and bikes.

Remember the 5mph speed limit doesn't just refer to 4 wheels but 2 wheels as well (and anything else you can find to move about on)

This is a working showground (not a bowling green) consequently the ground cannot be guaranteed to be totally flat, there are dips and hollows, some maybe created by your own dogs. Please be careful and observant. If you see uneven ground that could be a hazard either bring it to the attention of the show manager or avail yourself of the pile of earth adjacent to ring 4 under the trees, which is there for the purpose of filling holes.

For some of the activities at this show we may require you to sign a disclaimer. If you are unable to do this then we are sorry but you will not be able to participate.

And of course - THE RULES - you do of course read them avidly on every schedule you receive, but could we ask you to read **Rules 38** onwards again, just to make sure. These are particularly pertinent to the Dogs in Need show. All of the pages in this schedule relate to Rules and Regulations and must be adhered to. So this is a rule to read the Rules!

Due to restrictions placed on us by the local council there will be a reduced PA area, but for all your information and announcements Radio Dogs In Need will be broadcasting again this year, wavelength will be near to last years 86.6 FM and will be confirmed at the show. This will be during show hours for general announcements and 24 hours a day for emergencies. Live scores and ring/class updates can be viewed online at: www.agilityplaza.com

Anyone whose dog is entered at a Kennel Club licenced event should take all reasonable steps to ensure that the needs of their dog(s) are met, and should not put a dogs health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations

Warning: Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

**Dogs In Need is a Private event only open to Competitors & guests at DINAS discretion.
It is not open to the general public.**

WHAT CAN I ENTER?

YOUR DOG MAY ENTER ANY 3 INDIVIDUAL CLASSES PER DAY FOR WHICH YOUR DOG IS ELIGIBLE PLUS, ANY ELIGIBLE HELPING HANDS & YKC CLASSES

That's basically it. Your dog can only enter a **YKC** class providing the handler is a member of the YKC. Your dog can only enter **Helping Hands** if the handler does not run in any other class all week but helps at the show. Please note, the **Junior Classic** classes are included within the three-run limit, they are NOT extra classes.

WHAT CAN'T I ENTER?

Just as easy -

NOT MORE THAN 3 INDIVIDUAL CLASSES PER DAY FOR WHICH YOUR DOG IS ELIGIBLE!
(with the exception of the above exceptions!)

Now **everyone** has the same number of runs - how's that for fairness? As usual a dog may only be eligible for, and therefore gain points towards, one **Classic Final** - although they could enter classes for different **Classic** heats (e.g. an ABC jumping and a Graded Jumping) – Please select which Classic you want to earn points for when entering online. Full Classic rules can be found on page 6.

WHAT DO I GET IF I'M BRILLIANT?

With the exception of the Any Size classes (see page 12) we will be awarding:-

Trophies to 1st place in all classes, to second place if entries reach more than 30 and 3rd place for more than 50.
Rosettes to 10% in all classes. Clear Round Rosettes in all standard classes which must be collected at the ring as soon as you have got the necessary clear round. (Please also see rule 53)

And the really clever clogs get the chance to compete in: **THE WEEK'S FINALS**, where you can win:

Trophies 1st for all Grades/Finals – 1st & 2nd where average entry of 4 heats is more than 30 and 1st, 2nd & 3rd where average entry of 4 heats is more than 50.
Rosettes: 1st – 3rd + Finalists Rosettes

Full details and Rules for the Classic Tournaments can be found on Page 6.

Covid

If a competitor, or anyone in their household, has Covid-19 related symptoms or has tested positive for Covid-19 they must follow Government advice and should consider whether it is appropriate that they attend the event

Non-competing individuals may be required to register their details with the show organisers.

Camping, Electric Hook Up & Safety

Camping pitches are 10m x 6m, which you can fence in, if you erect a tent within that pitch there must be at least a 3m gap between it and the main unit. You can park your vehicle to the side but you may not fence that in as it is a fire break as designated by the local fire authority.

Roadways to be kept clear AT ALL TIMES.

Each pitch is for one camping unit only, please ensure you book enough pitches to accommodate your set-up.

Remember to tell us who you want to camp with and remember to tell the rest of your camping group to use the same name. People camping in groups who require electric will be sited nearest to the electric supply points. Camping location will be advised on check in – not before. On arrival, please display your Surname in your window to speed up booking in.

Electric hook-up can only be supplied if pre-paid, and is 240v 6-amp rate maximum supply only. It is your responsibility to provide a cable that is long enough to plug into the supply (minimum 25 metres). **IT WILL REQUIRE A BLUE 3 PIN MALE CEE PLUG (CARAVAN TYPE) ON THE END.**

We strongly recommend that before arriving at the show you have your caravan electrics tested as most of the problems with electrics are caused by faulty caravan electrics.

We will have an electrician on site between the hours of 6:30-8:00 am and 5:00-6:30 pm and on call 8:00 am – 5:00 pm to reinstate electric trips only NOT to repair caravan faults. We cannot re-instate electrics outside of these hours.

Camping will be limited and everyone will initially be put on a waiting list, so don't panic that you haven't got a camping spot straight away. Confirmation will be sent by email when/if you get a pitch, before the closing date for entries.

All camping units MUST vacate the site by 3:00pm Sunday 18th August 2024.

Fire points at the show will be denoted by a Red Flag, please **DO NOT** fly a red flag at the show. All units to have means of extinguishing a fire available.

Emergency Assembly Point: Car park in front of Whispers:

Emergency Contact Number Tel 07876463306 (on wristband)

Safety & Covid Officer: Gerry Eckersley.

BBQ's – No disposable or ground BBQ's.

Generators – Only suitcase type/completely enclosed generators are permitted.

NB For those using generators if we get a complaint, you will be required to turn it off for the week.

(a) For the safety of dogs/people it is the responsibility of those using electric hook-ups and/or generators to provide adequate protection for cables and their own lead. People camping in groups who require electric will be sited nearest to the electric supply points.

(b) No camping units allowed on the Show ground before 9.00am Monday 12th August 2024. Early show helpers will be notified by a committee member and must book in on arrival. Camping numbers are limited. The Show ground will be locked from 23.00hrs - 07.00 hrs each night. Camping units will be received Monday 12th – Saturday 17th between the hours of 9.00am – 5.00pm only and all MUST vacate showground by 3:00 pm Sunday 18th August 2024.

(c) Camping pitches and electric hook-ups are **NOT TRANSFERABLE** and may not be purchased after close of entries. All units MUST display the official site pass on their unit denoting camping & or electric hook up. Anyone found accessing camping and or electric hook-up without the appropriate site pass will be removed from the showground.

(d) All camping roadways on site must be kept clear at all times. The erection of training equipment is forbidden.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licenced Championship Agility, Premier Agility, Open Agility or Limited Agility shows (i.e. special classes and invitational events excepted).

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping Classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: A Ramp, Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A class may either be held as a Graded Class or a Combined Class. A Graded class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins.

Points Progression. At the handlers discretion the dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.d refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES.

Only first prizes and points gained in standard classes at Kennel Club licenced Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B. Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

Grade 2 Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6 or 7.

Grade 3 Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club licensed Agility Shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

Grade 4 Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7.

Grade 5 Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in an agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7.

Grade 6 Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained at Agility (not Jumping) Classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7 Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

Championship Class Open to dogs having qualified to compete in Grade 7 which have had five wins at Full Height in either Grade 6 or Grade 7, at least three of which must be gained in agility classes. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class and a final round of Agility to be held at the same Show.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as “special classes”. The eligibility for “special” classes must be defined by the society and included in the schedule. The word “special” must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

CLASSIC-JUNIOR UNDER 12 YRS: Open to handlers under 12 years of age as at 13th August 2024

CLASSIC-JUNIOR 12-15 YRS: Open to handlers aged 12 or over but under 16 years of age as at 13th August 2024

ABC: This class is open to all Large and Intermediate dogs excluding Border Collies, Working Sheepdogs and their crosses. (Any breeds but collies). In the event of a dispute the judges decision will be final.

ANY SIZE: These classes are for dogs not entered in any other class at this show except Any Size. They are fun classes aimed at those dogs either nearing retirement but still fit or just setting out on their agility career. There will be no Weaving Poles, Tyre or Long Jump. Jump heights will be 40cm, 30cm & 20cm and you may run your dog at whichever height you wish regardless of their size. The course will be simple and free flowing with a maximum of 18 obstacles. There will be no place rosettes or trophies but special clear round rosettes will be awarded.

Overseas visitors please note, you MUST have your ATC number from the British Kennel Club BEFORE you can enter the show, and this number MUST be recorded on your entry.

A dog may only compete at the height and grade for which they are eligible.

Helping Hands – This class will be a Free of Charge invitation jumping event on Saturday, for all sizes and all grades (so borrow a good un). Handlers must not have run a dog in any other class during the week and, of course, must have helped at the show during the week. This class is for those noble helpers who do the work without running a dog. If it was just for anyone who helps then it would have about 2000 dogs in it! (We hope!). For your invitation to run see the Show Manager or Show Secretary. Maximum 2 dogs per handler.

Dogs In Vehicles

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts of travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.
